ANGEL	Sorry to sound harsh ... I'm sorry that this all happened and that you feel hurt.	1.7151E+12	Me	1		May 7, 2024 10:59:03 PM	2
MARGO	Thanks I know you're not purposefully trying to hurt me...I take heart in that! Truly. I deciphered some stuff from w u sent and exactly what I'm being charged with made me laugh bc those things were done in the name of bettering Ccsds position, (like writing to hud and rad...to educate myself .)so I had to laugh outloud. I got it down to just1 section I can't read. Hey at least you were nice enough to let me know!!! Please let's not let this come between us. I don't see you often but always feel you're not far. Grats Brotha Grats! ( you also hv the UNIQUE ABILITY TO GET THRU TO ME W YOUR POINT OF VIEW...THATS a rarity!!and Purity! (Don't discard us... And I'll TRY not to doubt!)	1.7152E+12	Margo #618	1	14054724068	May 8, 2024 8:01:22 PM	1
MARGO	I appreciate your sentiments but need to clarify. My new company being funded by SAN FRANCISCO HOUSING AUTHORITY is a better, stronger CCSD. We haven't been associated with (which means pay them for doing what we already do) for over 7 years. By vote of the membership. They have lost their non-profit standing and it is optional to join. We left after Beverly Saba died. 2016 or so. I thought you understood that when they kept asking for money. To come back w them. My opinion is It's not worth it to be affiliated. I was trying to go back w them bc I thought they'd accept good management w me as President but no go. What's your email? I can send the transcripts of the meeting that started my advisory board. Talk to Peter Kats the President before me, he'll tell you. He resigned in 2 months. Other buildings are thanking me! Let's staygood.	1.7152E+12	Margo #618	1	14054724068	May 8, 2024 8:04:48 PM	1

ANGEL	Hi. Are you busy?	1.7157E+12	Me	1		May 14, 2024 8:30:59 PM	2
MARGO	More than I'd like but could use a break Whazzuuup	1.7157E+12	Margo #618	1	14054724068	May 14, 2024 8:39:45 PM	1
ANGEL	Um... elections? Why now? We were going to do that in Fall.	1.7157E+12	Me	1		May 14, 2024 8:42:44 PM	2
ANGEL	Plus, I didn't know ALL roles & terms are this urgent to call an election.	1.7157E+12	Me	1		May 14, 2024 8:45:11 PM	2
MARGO	It turned out it was more like February / March when the last turn over happened, so I'm actually a little late in the game. I'm trying to comply w regulations being as all the ccsd bullshit and scrutiny Any reason why now versus Fall will matter to you? Will you still wanna be Treasurer? I figure I'm only good for one more term anyway and 27s my lucky number! Yeah, 3 year terms	1.7157E+12	Margo #618	1	14054724068	May 14, 2024 8:58:14 PM	1
MARGO		1.7157E+12	Margo #618	1	14054724068	May 14, 2024 8:58:53 PM	1
ANGEL	Well.... so you want to look good how? Your notice is ... odd. No date of origin, not signed by any officer, and frankly overall I'm wondering what made you act independently and start this? Why not just leave sleeping dogs lie and we can address this in the fall like we discussed as a group?	1.7157E+12	Me	1		May 14, 2024 9:02:27 PM	2
ANGEL	Besides, there's other shyt to deal with now anyway and holding an election is like so disruptive.	1.7157E+12	Me	1		May 14, 2024 9:03:59 PM	2
ANGEL	We only have 1 seat open too, unless Zia & Michelle said sumn to u?	1.7157E+12	Me	1		May 14, 2024 9:05:15 PM	2
ANGEL	I'm not angry, just wildly confused??	1.7157E+12	Me	1		May 14, 2024 9:08:46 PM	2
MARGO	I ALWAYS worried about looking good and following regulations! Always. Can you say when I'd not? The ball is already rolling anyway, per regulations. (Besides Michelle went coo coo.)? The independent 3rd party, per regulations, is in charge of this. Take it up w the President of Sanchez. We're not allowed to have anything to do with it. What's disruptive anyway if you're just continuing your role?	1.7157E+12	Margo #618	1	14054724068	May 14, 2024 9:23:44 PM	1
ANGEL	So ... again I'm not mad, just like why didn't we - the board - discuss this? What "independent 3rd party"?	1.7157E+12	Me	1		May 14, 2024 9:26:53 PM	2
ANGEL	What's going on Margo? Why not just wait? You have never had us vote on this as a board. I don't get why now u are so suddenly concerned about compliance...?	1.7157E+12	Me	1		May 14, 2024 9:28:03 PM	2
ANGEL	And since you've scheduled this before our board meet I'm really interested in what your real motivation is.	1.7157E+12	Me	1		May 14, 2024 9:33:41 PM	2
ANGEL	Please, don't toss me under that bus And, since it's technically not dated, signed, or otherwise stipulated it's from anyone on the board it's not valid notice, so you need to start over anyway SO	1.7157E+12	Me	1		May 14, 2024 9:49:17 PM	2
ANGEL	Let's put a letter out approved by all the board that apologizes for any confusion and please disregard the notice. We can add that nominations/elections will happen in nov/oct. That will also make u look like u r "paying attention to what happens" ... ?? Idk, Please think about it						
ANGEL	We can say "the wrong doc was distributed" and save face too.	1.7157E+12	Me	1		May 14, 2024 9:50:58 PM	2

MARGO	I'm complying with end of term regulations. That doesn't require board approval, dude. Why do you keep saying regulations that never mattered to me? It is more important to me Than Ever That I comply with Regulations.w the shit that went on. I have to be beyond reproach. I'm not going to illegally extend the term. Don't you see the wisdom in that? What matters to you?	1.7157E+12	Margo #618	1	14054724068	May 14, 2024 10:04:04 PM	1
ANGEL	Hat end of term regs?  People just walk away from these roles and theres no jail time or fine if you dont finish a thing	1.7157E+12	Me	1		May 14, 2024 10:08:08 PM	2
ANGEL	I'm not angry or mad or anything negative. I'm wondering why you can't see the letter is not dated, signed, or even has 1760 Tenants Association on it.  Margo, you don't need to do this.  *What end of term regs?	1.7157E+12	Me	1		May 14, 2024 10:08:31 PM	2
ANGEL	What bugs me about is I feel like you don't trust me enuf to even send a text to alert me... YOU chose to post notice.	1.7158E+12	Me	1		May 14, 2024 10:29:34 PM	2
MARGO	OMG so not true. We discussed this in our Board meeting. I announced the dates. 1760 Tenants Union CANNOT BE LISTED. IT'S INDEPENDANT OF US.  Don't you see how important it is for me to follow bylaws?  Just tell me what your real problem with it is...one that makes any sense.  I need to be above n beyond reproach here. Especially now. What's the problem? Please explain.  Guess we'll talk about it Friday night. Show starts 5pm	1.7158E+12	Margo #618	1	14054724068	May 14, 2024 11:29:13 PM	1
ANGEL	Mmm no u didn't.  If u produce minutes supporting this independent odd move of Margo.  Read the bylaws.  Btw, YOU created this. All u had to do was play nice with the other kids in the sandbox but u decided this route.  The note u posted is as if u took our text convo and posted a long response.  You didn't include me in this decision so either  A) Zia Michelle n you decided to do this w/o me  B) You acted alone  C) Zia or Michelle are aiding you  Regardless Margo, whatever your reason it's not driven by "compliance" its only obvious that ur dragging your personal situation w CCSD into our TA.	1.7158E+12	Me	1		May 15, 2024 10:22:41 AM	2
ANGEL	I'll ask u again why did u exclude me from all this? Cuz I'm on the board and u acted * if u produce minutes supporting THIS election then there fake and ill challenge.  Elections are fine but why the Eff are u burning down the house?  Let's do them in Oct/Nov like we planned.	1.7158E+12	Me	1		May 15, 2024 10:25:09 AM	2
MARGO	We can't have anything to do with the decision. That's where independent comes in. I wish you would reveal what's really bothering you about them. It's a streamlined process. Let's talk about it Friday night at fashion show!	1.7158E+12	Margo #618	1	12063130056	May 15, 2024 9:30:44 PM	1

ANGEL	Thank you.	1.716E+12	Me	1		May 17, 2024 5:28:53 PM	2
MARGO	I can't understand why YOU refuse to consult w Zia Michelle and me 5 days before you posted the flier, but I'm not dragging your "life sux" into this. I've tried to work w you about this but u want to be autocratic, so who brought what?	1.716E+12	Margo #618	1		May 17, 2024 5:44:55 PM	2
MARGO	And guess what? I'm still willing to work w you to have nominations & elections but if you are going to keep being unwilling to reason and procede along this course then you will be on your path without me and I will do my best to ensure proper HUD, SFHA, CCS/D laws are followed.						
MARGO	You want to make a break from CCSD? Then fine, but you start from non 1760 TA, HUD, and CCSD funds. And build a program that benefits tenants better than HUD or SFHA, present that to the tenants, and let Tenants decide wtf direction they want.						
MARGO	Your approach is counter productive. Look at the kind of feedback u got and from who. Changing HUD contracts w landlords is how it's done, not name-calling and autocracy. We are not MAGA.						

MARGO	You were too busy fighting with Michelle	1.716E+12	Margo #618	1	12063130056	May 17, 2024 5:47:03 PM	1
ANGEL	What fight?	1.716E+12	Me	1		May 17, 2024 5:47:40 PM	2
ANGEL	Btw, Michelle and I are cool.	1.716E+12	Me	1		May 17, 2024 5:50:42 PM	2
ANGEL	If u did bring it up, I would have asked to see letter & would notice no date or no sig or no officer name and we wouldn't be here.	1.716E+12	Me	1		May 17, 2024 5:52:13 PM	2
MARGO	The one you were having with Michele and she said make sure I'm nominated. Ask z. Why have you turned on me? Isn't losing one sister enough? I thought you were more than this to me. I've never done anything but help EVERYONE.	1.7161E+12	Margo #618	1	12063130056	May 18, 2024 12:58:09 PM	1
MARGO	Your real problem is you want to be President. Do your job first.	1.7161E+12	Margo #618	1	12063130056	May 18, 2024 12:59:30 PM	1
MARGO	I remember who the old board members were. Let's see what they have to say. You're a turn coat.	1.7161E+12	Margo #618	1	12063130056	May 18, 2024 1:07:20 PM	1
ANGEL	You can't pull thoughts out of my head, it's a real bad look for you, is plain wrong, and borders you being a bully. And slanderous.  READ CAREFULLY: I want you to be president of 1760. But I want you to be inclusive too. Doing everything in a vacuum isn't right..  Michelle and I are cool. So u can blow smoke up that chimney anytime u want.  I've tried AND AM STILL willing to talk with you, and work with you, and even after you've insulted me at least 2x in this thread, and if need be I'll show you how the election flier isn't valid and violates YOUR bylaws.  Frankly I can't understand why you are so autocratic and plain coming at me so strongly and trying to lay your BS conspiracy theory on me.  And at CCSD Gen meeting to vote on your issue there I'm still voting neutral. Because I STILL hope you figure out you're actions are preventing you from participating in a real convo with me.	1.7161E+12	Me	1		May 18, 2024 2:46:19 PM	2
MARGO	You're still confused. We are disaffiliated with Ccsd and have been since 2016. I feel You are guilty of what you're accusing me off  You can have discussion s w people n still be cool. I'm glad you made up w Michelle. Now makeup w me bc if you want to fight you'll be doing it one sided. I don't hold grudges  I AM NOT A MIND READER I DONT KNOW HOW I KEEP INSULTING YOU AND IF YOU IDENTIFY AS A MALE HOW CAN ME OUTING YOU AS SCOTT HAVE BEEN SOOOOO BAD. You've never explained that one and I've been afraid to ask bc you'll explode. Scott is a male name!!  If you join ccscd you'll owe \$8000 at least in backpack.  I served on their board waiting to see if it would be good...and guess what it wasn't Check w m zorrns w they got their last check it was 2015?  If by bylaw violation you mean the date is missing on flyer It's not a big enough violation to redact. Just prepare the books please	1.7161E+12	Margo #618	1	12063130056	May 18, 2024 9:05:32 PM	1
ANGEL	If we are disqualified, how did you become pres?	1.7161E+12	Me	1		May 18, 2024 9:08:11 PM	2
MARGO	They appointed me I was waiting to see how it was going to go then wed have to take a vote to reinstate. only pull thoughts out of your head when you won't tell me them. There has to be some reason you don't want the elections to take place that you're still not telling me anything that makes any sense.	1.7161E+12	Margo #618	1	12063130056	May 18, 2024 9:10:22 PM	1
ANGEL	My name preference has ZERO influence on gender. I've told you that many times	1.7161E+12	Me	1		May 18, 2024 9:10:47 PM	2

ANGEL	And this is a decision you made to move forward on this.	1.7161E+12	Me	1		May 18, 2024	2
	We can't break and keep HUD money. There's a vote members make before that happens.					10:37:01 PM	
ANGEL	Plus ..you won't talk to me. You could have called while printing and said hey I'm doin this but you didn't.	1.7161E+12	Me	1		May 18, 2024	2
	You chose to just post on a Sat afternoon under the radar.					10:38:23 PM	
ANGEL	Then you signed my name on your attempt to replace oversight of CCSD.	1.7161E+12	Me	1		May 18, 2024	2
						10:39:51 PM	
	Then even after I continue to try and meet in person, you thro shade & insult me & make stuff up [like: I want your role]	1.7161E+12	Me	1		May 18, 2024	2
ANGEL	And yet I still am open to meet. Maybe seeing the note in person you can show me where the date & sig is.					10:44:34 PM	
	And you need to read the roles in the bylaws.						
	At first I was expressing my anger becuz I'm upset you need me to justify my name preference. Then Michelle had some words w me, but we worked it out. Then some random tenants start asking about my name cuz u posted it. Like its there fukkin bizniz. Then I found out u signed my name to a proposal I didn't understand and wanted to talk to you about. Then the dismissive "I took a class" comment. Then the undated unsigned notice going up.	1.7161E+12	Me	1		May 18, 2024	2

ANGEL	Margo, the real question is why are you really doing this?						
	You went from "compliance" to "we decided to" to "were not part of ccsc since 2016 & owe \$8k"						
	And I'm a turn coat cuz why?						
	I honestly can't figure it out.						
ANGEL	But now I am not angry. I realized I definately over reacted. It's 100% my reaction to FEELING LIKE [not saying it's true, it's how I feel] you don't care about my needs until they somehow lift you.	1.7161E+12	Me	1		May 18, 2024	2
						11:11:50 PM	
	So, as you may go back and check I'm not going into insults and conspiracy becuz this is just a little stupid TA that will function with or without me, Z, Michelle, or you BUT all of us will still be neighbors after our term or the Board disappears.						
ANGEL	So whenever u want to, let's meet and talk. We can meet in lobby or ??	1.7161E+12	Me	1		May 18, 2024	2
						11:12:52 PM	
MARGO	Axel in 211 (or 10) left off elevator was secretary when we disaffiliated. He said he'll talk to you when he sees you mornings/afternoons are best. I'll find the minutes	1.7162E+12	Margo #618	1	12063130056	May 19, 2024	1

	Dude you really need to read my texts.	1.7162E+12	Me	1		May 19, 2024	2
	Ive ask repeatedly to meet n talk.					9:26:30 PM	
ANGEL	If you need me to ill print it all out w dates highlighted with all the times ive asked for you to b explain what you r doing.						
	Which 3 on our board agreed to leave ccsc & when? That would be you Zia & Michelle, right? Or was it U John & Michelle?						
	You need to study the ccsc/HUD bylaws.						
	YOU chose this path. I just wish you could see how easy all the drama you created could end IF you meet w Z Michelle n me and all 4 of us work together.						
ANGEL	At this point, we are getting nowhere.	1.7162E+12	Me	1		May 19, 2024	2
	May 28 well see what happens.					9:34:20 PM	
	Since u called for a tenants meeting, I'll be there and if there's a quorum we can ask members.
