ENOUGH of the Negative-

Here's Something Positive that I learned how to do by attending and Representing YOU today at City Hall @ the Commissioners meeting.

After the Birthday celebration meeting at 2pm on Tuesday, besides holding LEGAL Nominations with an INDEPENDENT TEAM of moderators, @ 3pm, I'm going to take an anonymous survey.

I need to hear just what services you wish were here to help your self-sufficiency, your health, your mental wellness.

AND THEN, I'm going to plan a SERVICES FAIR!

ALL THE SERVICES YOU WANT TO SEE INVITED HERE FOR YOU!

WE CAN HOLD A RESOURCE FAIR! GET EVERYBODY TOGETHER!

Examples of Attendees would be i.e. Smart Money Management, eMail/Computer Classes, Mental Health Assoc, Harm Reduction, Anger Management, Hoarding Prevention, IHSS, Fire & Earthquake Readiness, Open Door Legal Services, Real ID info or Gardening, Literacy, How to Sell on EBay, Recipe Sharing & Cooking Classes, Jewelry Making & how to navigate your Phone, are some ideas to get you thinking about what exactly you might want to Next Explore!

YOU KNOW WHAT YOUR NEEDS AND INTERESTS ARE-

READY? DO TELL! This IS the kind of President that I work to be!

It'll be like a Vendor Portal- Community Specialists coming In-House!

So Look Forward, the best is yet to come-and these ARE the kinds of Council Members I'm Willing to be Supportive of for 1760 Bush St TA.

YOU ARE MY PRIORITY AND I'LL REMEMBER TO KEEP IT THAT WAY!

HELP ME BUILD A GREAT TEAM TUESDAY 3PM! The other stuff will just work itself out. Help me to best serve your next Horizon!(Xo, Pres)
