Michel baby

Please don't worry -

I vote for you

Text in the first yellow box:

Zia [Secretary[#409] Was looking for Wendell [#411] in the election so I made it for her!

But I will remain faithful - always have been - and always will be*

But can you, my love?

Please

[This means Margot begs or begs Michelle to accept whatever Margot has to offer in exchange for a vote to become president of the tenant association.]

as,

your true devotion

Text in the second yellow field:

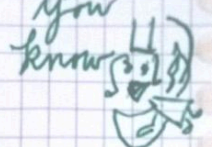

In addition, Robert had experience as an accountant and squeezed onto the treasurer's ticket! This is just the right time!

We don't need or want hostility, do we?

+++++

Margot does not want to be financially responsible for the funds of the Tenants Association. She has promised appointments and reviews at least twice since May, but has failed to do so. She doesn't know how to make a budget.

Margot did not issue bank statements or checkbooks to any treasurer. Ask anyone who has ever done this, there are about 4 people on here who have been bullied or fired by Margot because she refused to release checkbooks, ledgers and bank statements.

Michelle Baby, (* hope
Please
