

JUNE 15<sup>TH</sup>, 2024

*For Anyone Interested:*

*I NOT ONLY ATTENDED THE SFHA ANNUAL PLAN MEETING ON JUNE 7<sup>TH</sup> WHERE KEZIA VILLIAS MARTINEZ AND I ARRIVED RIGHT ON TIME, \*\**

*BUT I ALSO ATTENDED ON MAY 17<sup>TH</sup> AS WELL AS MAY 23<sup>RD</sup>. THANK YOU VERY MUCH. FYI: FOR THOSE GUARDING THE RECORD! (I did have to leave June 7<sup>th</sup> 10 minutes early-which was pre-approved- due to another SFHA dept. appointment!)*

*I ALSO PLAN TO ATTEND JUNE 17<sup>TH</sup> AND JUNE 28<sup>TH</sup>-OVER REPRESENTATION?*

*Maybe! I HAVE ALREADY COMMENTED ON THE PROPOSED PLAN CHANGES. .*

*I HAVE 3PAGED LETTER APOLOGIZED TO OUR TREASURER WHO NOW OBVIOUSLY IS ON A HATE CAMPAIGN. (Watch your mail for unsanctioned surveys)*

*\*\*(We were on time exactly, We got there before they started- Despite Angel going without us, incurring \$60.+ in ta cab charges and then leaving us stranded @the SFHA for no good reason.)*

*CAN'T WE ALL JUST GET ALONG?*

*FEEL FREE TO DROP THOSE SURVEYS IN M. DOORBOX # 618 THAT YOU RECEIVED IN THE MAIL. THEY WERE NOT SANCTIONED BY ME BUT I WILL UTILIZE THE INFORMATION FOR YOUR BENEFIT. THANK YOU ALL.*

*Where, Oh Where Is All This Hate Coming From?*

*Cannot, we as adults, as (semi)-mature & well-adjusted grown-ups, even able to declare our differences, open them up for discussion and safely explore that same variety of opinion in an open, transparent forum worthy of respect without spewing such maliciousness towards our fellow man, let alone fellow neighbor?*

We come blessed. *Diversity IS*, in my humble opinion, *IS* surely our greatest strength towards the elevation of human kind.

Especially since living here, as we stand among *EACH* other *Unified in Community*, together we make our *HOME*. We can choose to like it or not!

We share in the same circumstances, hoping to better our surroundings, our environment, promoting our security, gaining strength from our unity of community-surely-so much that now I come to you- quite perplexed.

*Where is all this hate coming from?*

*Is your difference of opinion so unsubstantiated that you cannot have it stand on its own or divulge it openly, to my face?*

*When did we stop discussing things & Just sit down to discuss with each other without a shouting match breaking out?*

*Neighbors, I believe we have more in common than what seems to show on the surface. We all want to see and be seen, to hear and be heard, we all deserve respect and respectful interactions. I don't see me as right and you as wrong; we may hold differing values and philosophies and have varied histories, but isn't that what makes up the quilt of mankind, coloring the blanket of life? It would be so boring if we were all one color, or thought the same things; yet, we need to be respectful of those differences. I believe*

God appreciates ALL Religions. Your individual experiences are what make you **you** and we should be able to **safely explore** each others' make up & be able to come to the table without bias, without prejudice or pre-conceived notions to accept that there are **strengths in our diversity**, to realize that there is something to learn & **enjoy** from being different from one another.

That is why if you fight with me, it will only be you **fighting with yourself**. I recognize how we can agree to disagree; but I also know myself well-enough now not to change who I am just so you accept me. **I accept me**, and that matters to me most to have a clear conscience.

I wish for a **harmonic, peace-filled homestead**, where we can all be glad to come home to, to be **glad we're home**. Do you know how lucky you are just to have this roof over your head? I do and I won't take it for granted. **I love** working hard for you.

Please **let me know** what I can do to further promote the peaceful enjoyment of your home. & **Thank You For Your Vote of Support!**

**Sincerely, Proud To Serve,**

Your Loving President, Margaret M. McNulty

Please come 6/25/24 to decide on our Sargeant-at-Arms, after Birthday cake in the Community Room!
