

Michelle, I'm so sorry I'm rude, Michelle  
I dropped everything to help you go to  
the store & you just ghosted me.  
After I rearranged everything I had to do!  
Just because it was a lot to ask didn't  
mean I wasn't going to do it!

You didn't even say please!! <sup>to say</sup>  
you shouldn't treat people that way.

And I'm laying your request to the  
TV anyway / you are supposed to make  
it EASY for people

P.S. Go ahead & Be a Baby.  
It's EASY for people  
to help you.  
If you miss tomorrow's meeting  
a fine of \$15. & you're on notice.
