

03/15/2024 TRO issued against Rittenburg

04/07/2024 McNulty contacts Rittenburg

On 04-07-2025 at around 5:55 pm, just before my 6:00 pm online class. I heard a knock on my apartment door At first, i ignored the knock due to school. When the knocking repeated twice, I went to the door.

- Expecting one of my neighbors who sometimes needs something, I answered the door and saw McNulty and said nothing, I just closed the door.
- She was trying to talk about something, but since there was a TRO I figured that she violated the judge's order.
- I finished class, and at the 7:30 pm break, went to walk the dog. McNulty left the note [pictured below] taped to my door.

It reads:

FRONT

Mr Rittenburg
