

## 409 texting to 412

Martinis continues to threaten and provoke Rittenburg.

On January 26, 2025 at approximately 8:00 pm, I entered the elevator at the Lobby and traveled to the Fourth Floor, where my apartment is. I was carrying a small package and my mail.

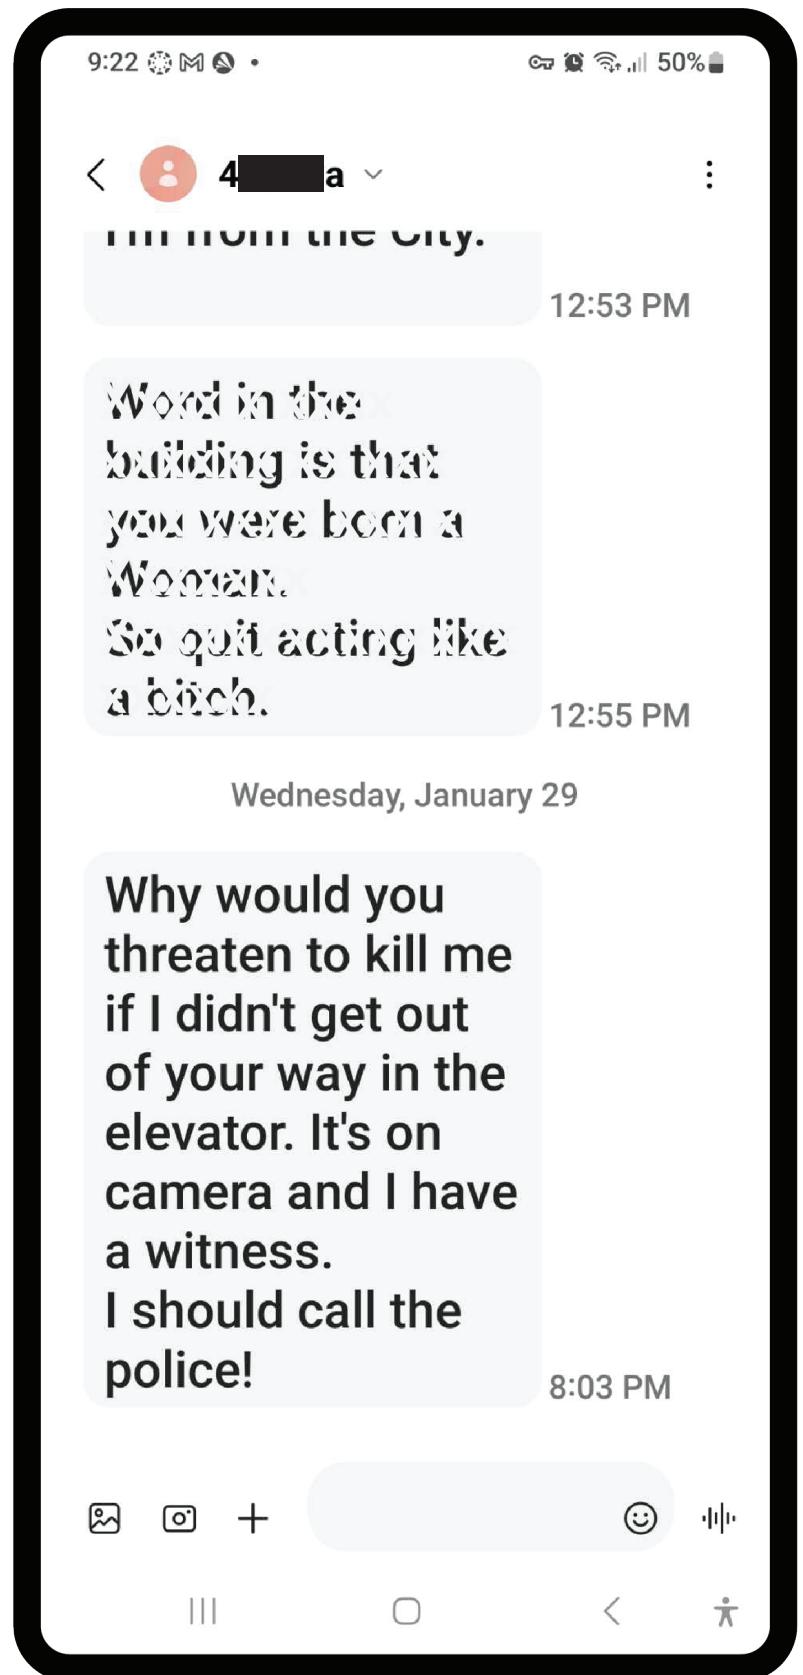

When the door opened, Martinis was standing directly in front of the exit for the elevator. Behind her was a wagon with her dogs. One is always aggressive. Behind the cart was her guest Bruce.

She said "Im trying to get on" and I replied, "I am trying to get off".

She stepped away enough for me to squeeze by.

Three minutes later, she sent the text threatening to call the police.

I called the police immediately because nothing happened other than a quick exchange of words. This is clearly harrassment.

## 409 texting to 412

Martinis continues to threaten and provoke Rittenburg.

I called the police to report this as harrassment, and they came out to talk to Martinis.

I was told that even if I did say what she accused me of, it was considered free speach and I cannot be arrested, nor did I do anything wrong.

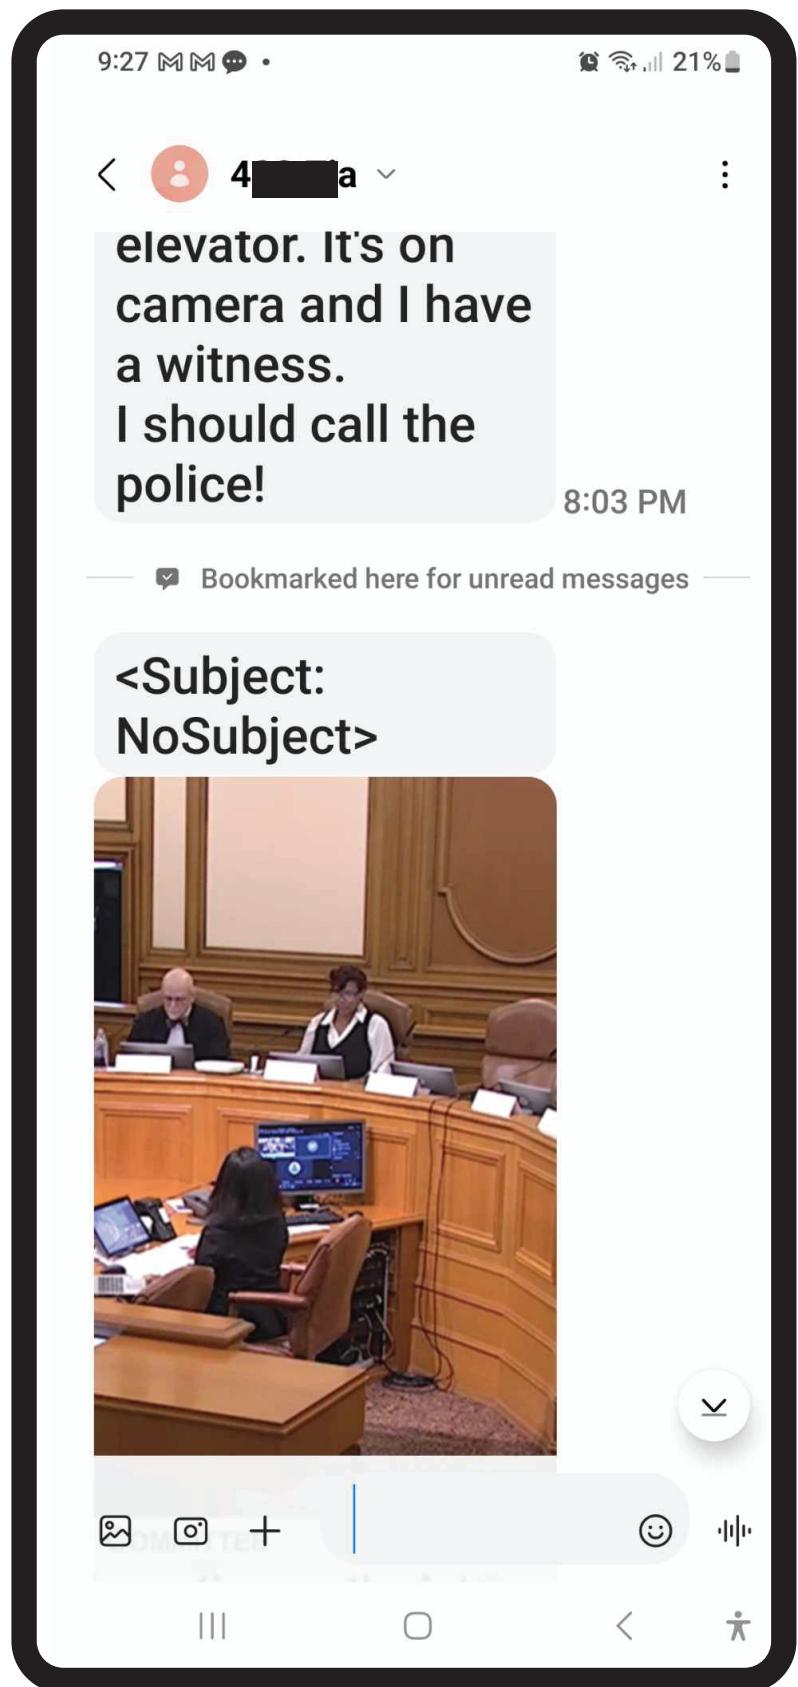

Shortly after they left, I received another text from Martinis.

On January 28, 2025 I attended the Housing Oversight Committee meeting at City Hall.

**Martinis harrassed me for attending a public meeting and excersising my First Amendment Rights.**

I shared information contradicting what Margaret McNulty said at the Homeless Oversight Committee on April 4, 2024 regarding her standing at both CCSD and 1760 Bush as the Tenant Association president.

I also pointed out how McNulty's RCA proposal had overlooked the Brown Act and that McNulty is using CCSD email to promote her RCA proposal.
