

## **Nomination and Election Flier posted 5/14/2024**

These fliers were posted in both elevators, on each floor at the elevator, and in the "Community Bulletin Board". Margo controls access to the CBB.

This document is intended to:

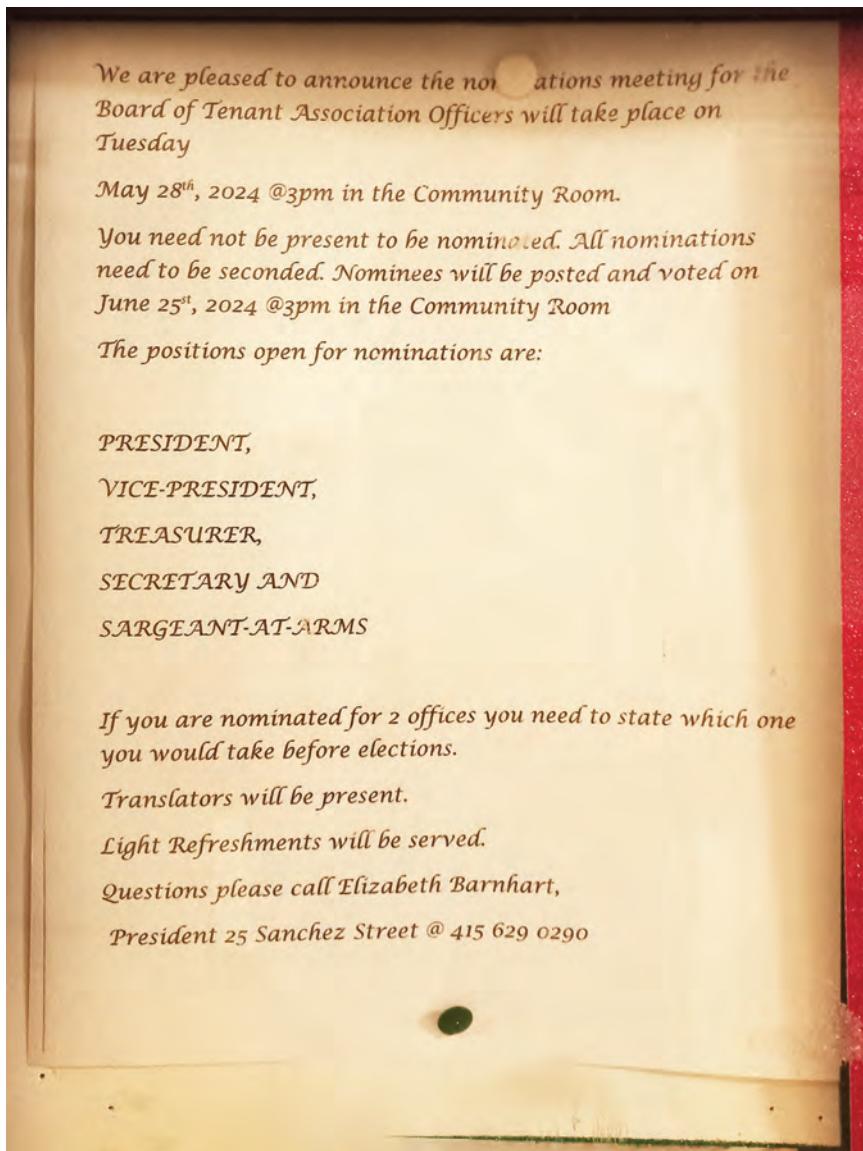

- Provide fact checking on actions, claims, and allegations surrounding the May Nomination meeting and the June Election meeting called by Margo McNulty, not the Board, and;
- Misrepresenting Elizabeth Barnhart [aka Leesa Bernhardt, Legal Moderators Inc] as a qualified and legitimate independent third party.
- Provide transparency of elected officials

This document was created to share public information as related to the irregularities of the nomination and election process administered by Margaret "Margo" McNulty and hopefully spark a call to action by all the Residents of 1760 Bush, not a suggestion of criminal behavior. That is the job for a legal expert.

The Residents of 1760 Bush should make decisions about their money, not just one president of the board.

Margo claims she "inherited" Bylaws that allow her to give less than 30 days notice. When Angel challenged her citing The Brown Act and the Sunshine Clause, she became dismissive and began a denial & deflection campaign and continues to refuses to acknowledge 24CFR, The Brown Act, or the Sunshine Act.

The image shows a collage of screenshots and printed documents related to the nomination and election process for the 1760 Bush Street Tenant Association.

**Top Left Screenshot:** A mobile phone screen showing a text message from "Me" to "Leesa MM's Friend". The message reads: "Michelle & Zia & Leesa - I went out for a dog walk + errands about 3pm ... around 6pm I came home & saw this? Style & Flare don't seem to contain necessary language, lacks professionalism (Not even on your business Legal Moderators Inc stationary or signed off by either president listed on your "Happy Memorial Day" flier as yourself or Gerardo - or minutes of the Nomination - Not Margo's notes she took during meeting. So, as our contracted role of Proctor @ 1760 Bush, please clarify for the rest of the 1760Bush TA Board who were not aware of this contract, how THIS LANGUAGE IS A LEGITIMATE FINDING as a result of your contracted work? The election has not even taken place, so how can Margo and John and Zia be "winners" in an Election that's still about 28 days away and we dont know if we hit Quorum?"

**Top Right Screenshot:** A mobile phone screen showing a text message from "Leesa MM's Friend" to "Me". The message reads: "Sorry, I must have the wrong contact info provided." The list does not have this number?"

## Nominees posted 5/28/2024 within three hours after nominations.

These fliers were posted in both elevators, on each floor at the elevator, and in the "Community Bulletin Board". Margo controls access to the CBB.

One demonstration of Margo's abuse of the process to serve her agenda.

Two versions of the nominees indicates Margo forgot to add both names to the list before she posted the 5-28 version.
